Station Madras, Dated the 20th May 1925.

From (Name) F. Armitage, Esquire,

(Designation) Inspector-General of Police.

To The Chief Secretary to the Government of Madras,

Judicial(Police) Department.

Sir,

I have the honour to submit for the approval of Government a site plan and an approximate estimate amounting to Rs.6200/- for the construction of quarters for the Sub-Inspector of Police at Buntwal in the South Kanara district.

The report accompanying the estimate explains the nature of the work.

The acquisition of the site on which the quarters are to be built has been approved by Govemment in G.O.No. 193 W,dated 9th February 1925.

Early orders are requested as I have included the work in the list of minor works for execution in 1925-1926.

item 6 in class II of the list. (not part upk.)

It seems from the site plan forwarded with the above letter that there is a well in the ~~adjoin~~ Police lines adjacent to the proposed quarters for the Sub. Inspector. As the cost of the new well is estimated at Rs 2000/- as against Rs 4,200 for the proper quarters the I.G. of Police is requested to ascertain & report whether the Sub. Inspector cannot use the well in the Police lines & if not, whether a cheaper well cannot be sunk.

Sir.

Reference:- Memorandum No.2261-1,Judicial Department dated 20th June 1925.

I have the honour to state that the well referred to is reported to be at a distance of about 60 feet from the site of the proposed Sub-Inspector's quarters and that the Sub-Inspector can use it if a culvert is erected over the drain between the compounds of the police lines and the proposed Sub-Inspector's quarters.

A new well for the Sub-Inspector's quarters is therefore not necessary.

(Ch. 2261) From the I. G. of Police Re. No. 426/H1B & 20.5.1925

The approximate estimate for the work is Rs 6,200 but the I.G. of Police has included only a sum of Rs 3000 for it in the list of minor Police works requiring provision of funds during 1925-1926. Apparently, only this amount will be spent during this year, the item being treated as a "work in Progress" next year.

2. Submitted that the estimate may be accepted in this deptt. and the file transferred to P.W.D. for further action.

Estimate (Exp)

The estimate of Rs. 3713 for the main building is in accordance with the approved type design and may be accepted.

Fcl. no 2127 & Exp
5.6.25

A provision of Rs 2000 has been included in the estimate for the sinking of a well. The cost seems to be very excessive. It is reported that there is no well in the compound of the site selected for the proposed quarters. There is, however, no information as to whether there are no wells or other sources of water supply in the neighbourhood from which water can be got. Jindl (Police) may be requested to obtain information on this point. In any case, it is necessary that the cost of sinking a well should be kept down as low as possible.

well in the police lines adjacent to the proposed quarters. If the water supply in this is adequate it seems rather an extravagance to expend Rs 2000/- in another well. Proposal accepted excluding the well.
